# Curriculum Vitae

**Saro Van Cleynenbreugel**

Maker

Saro is a Flemish designer, photographer, farmer and technician. He has worked for years at art institute Mediamatic as technical coordinator. He designed and built various aquaponics systems and gave dozens of workshops all over Europe for people from all over the world. Saro is proficient with both pen and hammer. He likes to think and talk about smart and sustainable solutions, but above all, he believes that one learns by experience.

## Education

2023

### Arbo Centrum

Safety for Operational Supervisors (VCA)

2022

### TeQnl

Professional competence in electrical engineering

2022

### Stichting Gelders Landschap

Course in pruning fruit trees  
Course in grass cutting techniques for biodiversity

2018 - 2020

### Leidse onderwijsinstellingen

Electrical engineering

2013

### Buurtwerkplaats

Arc welding, TIG welding  
8 week course

2013

### Fransjan de Waard

Permaculture Design Certificate (PDC)

2006 - 2011

### Amsterdam University of Applied Sciences

Interactive media, technology design and interaction

2005 - 2006

### Amsterdam University of Applied Sciences

Information technology

2000 - 2005

### Jan Arentszcollege (Alkmaar)

Havo, nature and technology profile

## Other skills

Arduino & Processing  
Python  
Photography  
Adobe CS, AutoCAD  
Cooking (plant-based, raw)  
Foraging  
Driver's licence B (car)  
Aikido (3<sup>rd</sup> Kyu)

### Languages

Dutch (native)  
English (fluent)  
French (novice)  
German (novice)
